

RALLY! Capstone Proposals

Part of the application process is the generation of (2) capstone project ideas, one of which may be completed by the applicant upon completion of the LEAD SWVA program. Please describe potential project ideas that are feasible to complete if accepted into the LEAD SWVA program. Note that additional project ideas can be considered even after the application is submitted.

In the boxes below, for each idea, please give the expected outcome, the potential steps needed to successfully complete the project, the anticipated timeframe of the project, and potential community members and/or organizations you will need to partner with to bring the project to fruition.

Project Idea #1:

Expected Outcome *What do you want to accomplish?*

Action Items & Timeframe *How and when will you make it happen?*

Potential Partners & Team Members *Who will help?*
